## Restaurants:

### Restaurant La Borda:

The restaurant located at sector altitude 2000 offers typical mountain home cooking, with a menu adapted to each season, with local products and prioritizing km0 products, a philosophy that is transferred to all Naturlandia restaurants.

---

### Restaurant El Foc:

New restaurant, located in the 1600 altitude sector, with a menu adapted to seasonal products and where everything is grilled; a show cooking restaurant that will not leave you indifferent.

---

### Cafeteria cota 1600:

Here you will find dishes for all tastes; fast but quality food, homemade desserts, celiac dishes, vegetarian dishes, signature sandwiches.

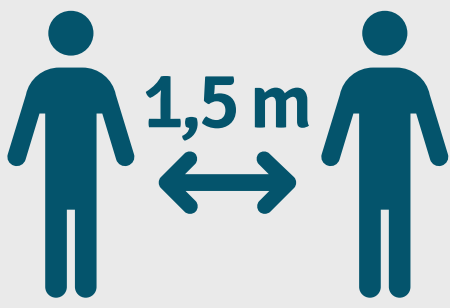

## COVID19 Measures:

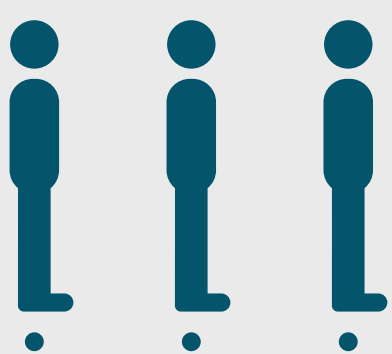

The use of the mask is mandatory throughout the park.

Clean your hands frequently with gel hydroalcoholic available in the park.

Keep the safety distance of 1.5 meters between people.

Respect the waiting signaling in queues.

Follow the signs in the park to access our activities, restaurants or shops.
